The new me

~The new me~

I am not a coward

Though I get scared sometimes its true

And now that I think of it

It's time to start a new

From now on I'll be different

From now on I'll be brave

From now on I wont be so scared

I'll no longer be afraid

I'll fight each battle to it's fullest

And I'll never let you down

And no matter what happens next

I'll always be around

I'll always be beside you

I'll always try my best
I'll no longer be a coward
Until we win I will not rest
And I know that we will win
Both the battle and the war
Because we have become so strong
And it's what we're fighting for
But I do not know what role I play
In this warlike game
So I'm leaving though I will come back
But I may not be the same
Because I'm going there to find myself
I'm going there to see
So when I get back don't be surprised
When you meet the new me.
